YOU SHOULD KNOW

LAMARINE WAFERS

After many months of investigation and research, there has been found a laxative that gives perfect results without harming the delicate organs of the stomach. It is a known fact that strong pills, salts, oils, etc., besides being awful to take, are too strong for the majority of people. Lamine Wafers are made for the purpose of furnishing every one a medicine that is nice to take and one that is guaranteed to act thoroughly but so gently that the stomach is left healthy. They will not nauseate you. Try them. All druggists sell them for 30c per box. Write Desk 47, Lamine Laboratories, Atlanta, Ga., for free sample package.—adv.

ALLEGED THIEF LEADS OFFICERS LIVELY CHASE

Truck Load of Loot Taken From Ray Store By Man Who is Alleged to Have Hidden in Closet.

Following a lively chase with automobiles, augmented by a wind free after the wires leading out of Pensacola by the sheriff's forces and the police department, Carl Ashukian, a foreigner, who for some time has resided at Olive and at intervals has sold French balloons on the streets here, was captured at Pollard yesterday and brought back to Pensacola on a charge of having robbed the store of the Ray Hardware company on Lower Palafox street, late Wednesday night. Ashukian is said to have hidden himself in a closet in the store late Wednesday afternoon where he remained until the house was closed, then he is reported to have climbed out by a window and taken a sufficient quantity of paints, auto tires and other merchandise, to load an auto truck which he had placed conveniently for his operations. About 1 o'clock in the morning the man was discovered by Police Officer Ellertsen but while the officer was looking over the load of loot the alleged burglar gave him the "slip."

Early yesterday morning officers started a sweeping search for the man with the result that he was located at Flomaton after the surrounding country had been scoured by Sheriff Van Pelt and the police. A communication with Deputy Sheriff Ellis at Flomaton by Sheriff Van Pelt revealed that he had just passed Flomaton by automobile. Deputy Ellis went after him, overtaking him at Pollard. Capt. Harper of the police department and Deputy Sheriff Hall, who were in the vicinity of Flomaton in their pursuit of the man, took charge of him and brought him back.

According to the officers he has admitted his guilt. It is understood that he had contemplated an early return to the land of his nativity in South Europe.

COMMUNITY SERVICE DANCE ON MAY NINE TO BE A BIG EVENT

At a meeting of the committee composed of Messrs. Jack Roberts, Thos. Erickson, Jennings Herzkovitz, Drew Sims and George Owen, for the dance to be given under the auspices of the war camp community service for all the ex-service men and their lady friends on Friday night, May 9, at Fort Barrancas, further plans were made yesterday to make this one of the most enjoyable affairs that the returning veterans will have the opportunity of participating in.

Arrangements have been made to secure a large boat that will leave Palafox wharf promptly at 7:30 o'clock on the evening of the 9th and a ride on Pensacola bay will be an added enjoyment before the dance. The famous Barancas band will furnish the music.

It is the desire of the committee that all ex-service men get an invitation but there is only a partial list available and they ask that any who desire to attend to telephone 431 or send their names to 220 Brent building and an invitation will be sent which will include admittance to the reservation.

In order that transportation facilities may be amply furnished, kindly notify the above address or anyone of the committee not later than Wednesday afternoon.

NEWS BRIEFS.

Capt. and Mrs. Frank Cooney, who have been spending the winter in Pensacola, have returned to their home in Rockport, Mass.

L. Friedman, of the Ready-to-Wear store, has gone to New York to buy summer goods. He will be gone about two weeks.

The schooner Crescent arrived in port yesterday from Porto Rico. The Crescent was formerly owned by the Lutz Shipping Co.

Members and friends are invited to attend a social to be given at the Gadsden Street M. E. church at 8 o'clock this evening.

Private W. L. Bogart, of Pensacola, who is at Genicot, France, expects to sail for home shortly, according to a letter received here. Several other local boys are in the same command.

The W. C. A. girls, with Mrs. Mary Yates and Miss Margaret Ray, the secretary, will give a black face entertainment at the Perry Pass school at 8 o'clock this evening. Everybody is invited.

Mrs. J. M. Lewis, Mrs. W. C. Brohm and little daughter, Hattie, of Louisville, Ky., are charming visitors in Pensacola as guests at the home of Mr. and Mrs. Max Klein, 814 North Barcelona street.

The many Pensacola friends of Mr. and Mrs. J. T. Roberts of Montgomery, who have frequently visited in the city as the guests of their daughter, Mrs. A. J. Butt, will learn with sincere regret of the loss of them of their home by fire, last Saturday.

Dr. and Mrs. Lemuel Colson, who occupied apartments in town during the winter, moved back to their home, 1524 East La Rue street, where they are at home to friends. Mr. and Mrs. W. B. Hudson and family have taken the apartments formerly occupied by Dr. and Mrs. Colson.

Lieutenant Edward M. Pooley, of the aviation corps, has returned to Ellington Field, Houston, Texas, where he will resume his duties after enjoying a delightful month's leave of absence spent in the city as the guest of his mother, Mrs. E. M. Pooley.

Major H. N. Manney, Jr., U. S. M. C., arrived in Pensacola Wednesday morning on a month's leave of absence to join Mrs. Manney who has been spending some time in the city. Major Manney, who has been in active service overseas for more than a year, landed in New York on April 25.

The many friends of Dwight Anderson, son of Mrs. S. W. Anderson, of this city, who has been in the overseas service for some time past, will be delighted to learn that news has been received of his arrival in New York, and that he is expected to arrive home within a short time. Mr. Anderson enlisted in the hospital corps at Camp Sherman, near Cincinnati, immediately after our declaration of war.

FRUIT GROWERS AND NURSERYMEN TO MEET MAY 8

A conference of fruit growers and nurserymen has been called for the afternoon of Thursday, May 8th, at Orlando, to discuss the State Plant board regulations that require nurserymen to scrub all nursery stock to prevent the spread of cottony cushion scale. While the regulation is a just one, it has worked more or less of a hardship upon the nurserymen and they wish to be relieved of this. Since the matter is one that is of particular interest to grove owners, whose properties may become infested by this scale, a discussion has been arranged for a discussion of the situation. This conference will form a part of the program of the Florida State Horticultural society that meets in Orlando beginning the evening of May 8, and continuing until noon, May 9. Other important features of the program is a conference on spray schedules, a discussion of citrus fertilizer experiments that have been carried on by the Florida Agricultural Experiment station during the past ten years, the use of tractors in citrus groves, future protection from citrus canker, and many other topics. More than fifty speakers are listed on the program, some of them of international fame. The opening address on Tuesday evening will be given by Hon. W. T. Swingle of Washington, D. C., who has been an agricultural traveler in China and other eastern countries during the past two years for the government. The subject of his address will be "Citrus Growing in the Orient." A large attendance of citrus growers is expected at the meeting.

SENATOR STOKES' ATTITUDE ON FEE BILL IS RESENTED

In resentment of the attitude of Senator John P. Stokes with reference to the sheriff's fee bill, a telegram was dispatched last night to the local senatorial representative by A. H. Clopton, which is understood to voice the sentiments of a number of friends of the sheriff and his force, as expressed during yesterday.

"John P. Stokes, State Senator, Tallahassee, Fla.
"I have noted your amendment to sheriff's fee bill excluding Escambia county. Many people are wondering at this; I presume to put my thought into words; if the counties of Duval and Hillsborough are entitled to the increase, so is Escambia. Efficiency is dependent upon sufficient compensation; present compensation does not insure efficiency.
A. H. CLOPTON."

100TH BIRTHDAY OF ODDFELLOWS IS CELEBRATED

Pensacola Lodge Holds Interesting Session—Large Attendance At Banquet to Hear Speakers.

The Odd Fellows of Pensacola, assisted by Naomi Rebekah Lodge, last night celebrated the 100th anniversary of the founding of the first lodge of Odd Fellows in the United States. Rev. John C. Skottowe, rector of St. Katherine's Episcopal church, was the principal speaker of the evening. An interesting vocal and instrumental program was carried out.

The first Lodge of Odd Fellows in this country was founded at the Seven Stars Tavern in Baltimore, Md., April 26, 1819, by Thomas Wildey and four other English Odd Fellows. The charter came from England.

Naomi Rebekah Lodge, No. 10, of this city, prepared the banquet which was served in the banquet hall at Baylen and Belmont streets. The committee in charge was: Mrs. F. H. Cranston, Mrs. Lottie E. Bennett and Mrs. Amelia Mathis.

After the banquet L. M. Davis, as toastmaster of the evening, presented the Grand Conductor of the Grand Lodge of Florida, F. H. Cranston talked briefly on topics of interest to Odd Fellows. The speaker of the evening, Rev. John C. Skottowe was then introduced, and he held the attention of his hearers from beginning to end. A musical program in charge of Mrs. Lee was carried out.

The committee on arrangements was F. H. Cranston, J. W. Davidson and W. Evers. The decorations were pink and green.

There was a very large attendance both of the membership of Pensacola Lodge, No. 4, and of other local and neighboring lodges.

GOOD WEATHER OR BAD ENGINEERS' DANCE TONIGHT

The stage is now all set for the engineer officers' hop at Fort Barrancas, this evening. With the arrival of the last express package of decorations from Mobile, the committee on arrangements is in a position to announce that the dance will be staged strictly according to prearranged detail. One noteworthy feature of the occasion is the fact that the dance will be given regardless of weather conditions. In the unlikely event that the present rainy spell has not passed over by Friday evening, it will only be necessary to open the gates of the post grounds and run the special car up to the post exchange, where all preparations have been made for that contingency.

If one may judge by the extreme interest manifested in military, naval and civilian social circles, the engineers' hop promises to be one of the big events of the social season. The engineers have a reputation for carrying all of their work to a successful conclusion and they insist that their hop shall only maintain that reputation. With a beautifully decorated pavilion, good music and a jolly gathering of guests, they look forward with no little anticipation to a most enjoyable evening.

As has been stated before, a specially chartered car will leave Pensacola at 8:15 p. m. and return leaving Barrancas at 12:15. This car will make all stops. A cordial invitation is extended to all officers of the military and naval forces. Officers who are strangers at the post are requested to present themselves to Captain C. D. S. Clarkson.

Y. M. C. A. WORKERS ARE ALL BOOSTERS FOR VICTORY LOAN

Atlanta, May 1.—"In my opinion, every organization in the United States should at this time turn at least a measure of its force into the drive for the Victory Loan," said E. H. King, new executive secretary for the Y. M. C. A. in the southeastern department. Mr. King was announcing that Y. M. C. A. secretaries returning from overseas were scheduled to speak and work for the loan. "Not that alone," he added. "All through our department, whatever possible humble service in the power of our organization will be freely rendered." This includes, Mr. King explained, service on working committees and personal work in connection with local Y. M. C. A. organizations, as well as in organizing committees. "It makes no difference how the service to the campaign may be rendered," said Mr. King. "Our men are instructed to use every means in their power to advance the sale of the bonds of the fifth loan. Of course, the men returning from overseas can furnish the most spectacular aid—they can, and will, speak of what they have seen on the battle fields of the great war, and of the urgent need for 'cleaning up' with a big over-subscription to the fifth loan. But our intention is not to stop with that. We mean to work for the bonds in every locality where a Y. M. C. A. is situated, and wherever a Y. M. C. A. secretary goes."

FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove freckles.—Adv.
